**DOWNLOAD
THE APP!**

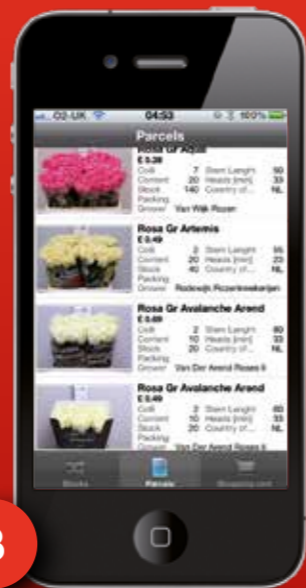

1

Download the App and enter your Customer Number and password. New customers please register at www.flowervisionweb.com

2

Select 'Stock' then choose the stock you wish to buy from. You can also select by product group within this list.

3

Browse the selection and tap to select a product.

4

You will see more product information – simply enter the quantity you wish to purchase and tap Order.

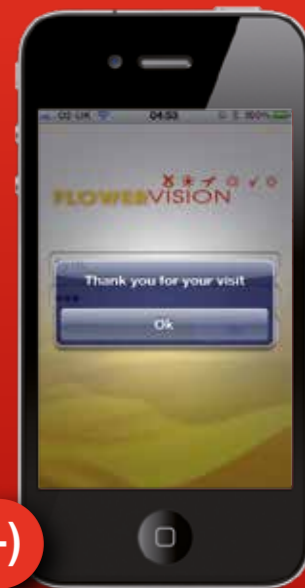

5

You will receive instant confirmation that the item is reserved for you.

6

Go to Shopping Cart to see all items you have purchased. You must tap to 'Checkout this Order'. You should also 'checkout' even if you have made no purchases. This will log-out from the session.

: -)

THANKS!
